

Birthday Party

Vita's birthday party is in just a few days. She is busy planning the party. Vita's party is at a swimming pool near her house. Of course, there will be swimming. There will also be music for singing and dancing. Vita's dad is baking the cake. Her sister is making decorations. Vita is writing the invitations. She is painting or drawing a picture on each card. They are all different. Vita is feeling good about her party. She knows her friends will have fun.
