

## Out of State

I've never been out of my state. We've gone on car trips. We've done some camping. But, we've always stayed near home. Now, my family is planning a trip. We're going out of state. We're going to visit my cousins. We'll go on an airplane. My cousins don't go on many trips. They've never been out of their state either. My cousin Tina likes to travel. Maybe she'll visit us next year.
